- Organization

The North Carolina Association of International Educators (NCAIE) is a professional organization of over 600 administrators, educators, and community volunteers, committed to promoting the cause of international education in our state.

To learn more about NCAIE, visit ncaie.org.

Why attend?

The NCAIE State Conference is a great opportunity to meet international education professionals from across all of North Carolina!

NCAIE's annual conference usually attracts over 150 attendees from a variety of sectional interests in international education.
